Attention: Ms. Sue Kiser

Attention: Mr. Ray Sukys

Dear Ms. Kiser and Mr. Sukys:

With this letter and pursuant to the authority delegated to me, I approve the following Amendment of the Kern Council of Governments (KCOG) 2004/05-2006/07 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
1	<b>Local Element</b> <ul style="list-style-type: none"><li>• Adds three new projects in Kern County. The projects include funding from the Congestion Mitigation and Air Quality (CMAQ) program and the Regional Surface Transportation Program (RSTP).</li></ul>

I am also recommending that the Federal Highway Administration and the Federal Transit Administration approve this FTIP Amendment for inclusion into California's 2004/05-2006/07 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP in fiscal years not within the three-year cycle of the current FSTIP are not approved as part of this FTIP Amendment and are shown for information only.

The updated programming is for project types that have been found by the KCOG to conform to applicable air quality regulations. This FTIP Amendment is consistent with the State Implementation Plan. The financial impacts of this amendment are compatible with anticipated revenues in the FSTIP Financial Plan and do not significantly affect the overall financial analysis. These projects are included and submitted by KCOG through the California Transportation Improvement Program System (CTIPS). Caltrans concerns, if any, are reflected in the "Caltrans comment" section of the FTIP Project Data Entry screen in CTIPS project by project.

Mr. Gene K. Fong /Mr. Leslie T. Rogers

In accordance with existing law, public involvement procedures are a part of the project selection process. KCOG prepared this FTIP Amendment under that process permitting citizens, affected local agencies, other public agencies, and other interested parties reasonable opportunity for comment.

Please address any questions on this FSTIP approval request to Muhaned Aljabiry of my staff, at (916) 654-3521.

Sincerely,
